Subject: farmovs 310/2002: Draft Protocol

Dear Dr Roethig

Please allow me to introduce myself. I am Marlize de Lange and I will be the main contact person and Project Manager for the above mentioned study.

We are in the process of distributing the draft CRF inhouse and will then forward it to you for your review. We hope to have a final protocol end of November. I will do the Ethics committee submission in January 2003. Their meeting date is 28 January 2003.

Will it be possible to let me know who the study monitor will be?

If you have any questions or comments, please do not hesitate to contact me.

Kind Regards

Marlize
